

Avitech and Avtron Announce Business Alliance

Aviation Technology, Inc. (Avitech) of Manchester, New Hampshire and **Avtron Manufacturing, Inc.** of Independence, Ohio have formed a strategic business alliance. Avitech and Avtron have joined forces to offer their customers:

- **Growth opportunities. Grow your business, increase capabilities, and reduce costs through:**
 - Workshop consultation services based on decades of combined knowledge.
 - Regional technical service centers that provide installation, calibration, preventive maintenance, and training services.

- **Uniform operator interface and report format. A Shared or Common operator interface and consistent test data format result in:**
 - Reduced training requirements
 - Common technical support
